**When We Count Our Blessings,
We Count YOU Twice.**

WE ARE THANKFUL FOR YOU!

As the holiday season falls upon us, it is the perfect time to reflect on our blessings and what we are most thankful for: life, health, friends, family, and YOU! This Thanksgiving, the Winona Family YMCA would like to share our genuine appreciation for YOU. We are truly blessed and have so much to be thankful for, even despite these turbulent and uncertain times, and now seems like the perfect time to recognize all of the reasons Y:

Our Members: Whether you recently joined us or have been a part of our YMCA for many years, we appreciate you being in our Y family. We enjoy seeing your children develop and grow through our youth programming and Kids Corner Child Watch. We relish in the opportunity to provide you with fun and exciting group fitness classes, lap swim and friendly competitions in racquetball and pickleball. We love seeing you thrive in our community and we love having you here!

Our Donors: We cherish each and every donation, no matter how big or small. Our Donors make it possible for us to offer life saving and enriching programs to members of our community, regardless of their ability to pay. Thank you for helping fulfill our value of making the Winona Family YMCA a place for ALL.

Our Volunteers: Our volunteers are some of the most amazing and selfless people we know. They donate their time and talents in so many ways for the betterment of our community and organization. From refurbishing bicycles to give to those in need, or helping with fundraising efforts, they truly make a difference in the lives of our members and community.

Our Staff: Every day our staff members are ready to take on the day and offer support and encouragement to members of all ages and abilities. Whether members are taking the first steps in their journey to a healthier lifestyle, or are well established in their wellness journey and need a bit of motivation to keep going, our staff is ready to help in any way they can.

Our Board: We are blessed with the support and leadership of an engaged Board of Directors. They invest their time and energy in strengthening our community, supporting our staff, and making informed decisions to improve our organization.

We have so much to be thankful for this Thanksgiving. Please take a moment to reflect on all your blessings and what you have to be thankful for. We hope you have a joyous and healthy holiday, and we look forward to seeing you again soon.

The Y. For a better us.
